

THE ARTS CENTER

Staff Profile: Kimberly Hefner

Dance instructor

Originally from Lima, Kimberly began her dance career at the age of two and danced competitively for more than 10 years. She graduated from Ohio University in 2012 with a minor in Dance Performance and Choreography, University of Akron in 2014 with a Master of Arts in Speech Language Pathology.

At the collegiate level, she was selected for performances in the winter and spring dance concerts in addition to being selected to perform in a piece as part of a grant from Gallaudet University.

She has traveled nationally with Dance Caravan and taken instruction from Dayton Ballet, Broadway Dance Center in New York City, ROOTS Academy in Nashville, and multiple dance conventions. Kimberly is currently a speech language pathologist at St. Rita's Medical Center and has one son named Leo, who is her pride and joy.

She is thrilled to start assisting with dance instruction at The Arts Center!
